Mom and Dad, I am so appreciative for everything you two do for me, I love you both so much. Derek, Sean, and Craig, I am so fortunate to be as close to you all as I am. I want to thank my entire family. Most importantly my parents for supporting me through everything, no matter what it was they were always there for me when I needed them the most. Thank you to my brother and sister for being two people I've always looked up to and turned to for advice. Lastly a big thank you to all my great friends that I have grown up with my entire life along with my girlfriend for making these four years of high school some of the most enjoyable and memorable years of my life.

First and foremost, congratulations!

In recognizing the long road to graduation you have seen and undergone many changes during your years as a student in the Norton Public Schools. As the Senior Class you have undergone three years of a renovation project and now leave us as Norton High School opens its doors as a new school. You have accomplished much in the classroom, on the athletic field, on stage and as volunteers. You provided us with a wonderful sense of community. Now the hard work begins.

As you leave us I want to share a quick thought and challenge. A philosopher once said, "The greatest successful human beings of the world have used their imagination...they think ahead and create their mental picture in all its details, filling in here, adding a little there, altering this a bit and that a bit, but steadily building - steadily building." As you take the next steps in this stage of life consider how important YOU, the individual, are to all of us collectively. Your imagination, creativity, leadership, civic involvement, work ethic and ability to motivate others will help humankind steadily build the next generation and all that we accomplish will be because YOU played a part.

We are proud of you and your accomplishments. My best to you and remember...imagine!

Go Lancers!

With Regards,
Joseph F. Boeto, Ed.D.
Superintendent of Schools

To the Class of 2014

Just four years ago, you entered Norton High School as freshmen, unsure of what your future would bring. Now, you are nearly graduates, you have plans for the future and you are ready. I hope the last four years have taught you all sorts of different things.. You have spent time learning in the classroom and outside of the classroom. Over the past four years, you have studied for countless tests, and quizzes; you have completed innumerable papers and homework assignments. However, that was not necessarily the most important part of high school. Throughout all that school work, I hope that you learned about effort and perseverance. I hope that today, you realize that life is about doing your best and working through even the most difficult of situations. Because, that is truly the most important lesson you can learn. I wish each of you the very best as you make your way beyond the hallways of Norton High School.

Sincerely,

Megan Lafayette
Principal
Norton High School

Congratulations! After four years, you have made it to graduation, and you have made it despite a two year building and renovation project, years of unfinished floors and ceilings, and countless classroom moves. You have also persevered through your personal challenges and struggles. Walt Disney said, "All the adversity I've had in my life, all my troubles and obstacles, have strengthened me... You may not realize it when it happens, but a kick in the teeth may be the best thing in the world for you." Sometimes, life is not as we wish it to be, but we can be strengthened by adversity, troubles, and obstacle. To do this, you must practice patience daily, make positive choices, and be willing to keep moving forward regardless of what lies ahead. It is my hope that you have learned from the ups and downs of the past four years, and can carry with you lessons that will guide you on the road ahead. Congratulations, and I wish you all the best.

Sincerely,

Geoffrey Zini
Vice Principal
Norton High School

The Norton High School Concert and Jazz bands are elective programs that students take to develop and grow into talented musicians. The Concert Band, as well as the new Jazz ensemble, performs in the annual Winter and Spring Concerts. A huge thanks to Mr. Krafta, without whom neither the Band nor Jazz Band would have been such a positive experience. Thank you to the seniors who will be leaving; their leadership and influence will have a lasting impression on everyone. Finally, thank you to the band parents, who have helped us out at numerous events throughout the year.

The Norton High School Chorus and Select Choir are two vocal ensembles that strive to cultivate musical excellence through music and singing. Mr. Krafka's Chorus class meets during B period, and this year performed foreign music like "Amani Utupe" and "Three Hungarian Folk Songs," as well as popular music such as "Ain't No Sunshine" and "Survivor." There are also many dedicated members of the chorus who do not take chorus as an academic class but participate in the afterschool group in order to perform in the NHS music concerts. Mrs. Couture's Select Choir, an auditioned group, meets on Thursdays to perfect pop music like "Cry Me a River" and "Halo" as well as folk music such as "Down to the River to Pray" and "Song of the Lonely Mountain." Because of such great teachers, students, and community support, the NHS Chorus and Select Choir thrive as applauded choral groups.

This year was one of Student Council's most successful years to date. The Thanksgiving Pep Rally was one of the best that the school has ever seen due to StuCo's planning, supervising, and running of the event. Aside from pep rallies, StuCo also runs Freshmen Orientation, 8th Grade Open House, Spirit Week, Talent Show, Santa Fund, and Pennies for Patients, all of which were very successful. In addition, Student Council was able to send many delegates to Regional and Statewide leadership conferences this year including Officershop, MASC, and SEMASC. Valuable leadership skills are attained at these conferences and are brought back to the student population regularly. NHS StuCo was once again named a "Council of Excellence," one of the highest achievements awarded in Massachusetts.

The 2013-2014 Norton DECA excelled on their mission to make it count. Enrollment for this year broke the record with 80 members, and participation in fundraising activities also reached a record high. Pre-conference preparation and involvement aided NHS DECA in sweeping the District Conference in Falmouth with 21 immediate advancers to the state level. The hard work and dedication of all Norton's DECA chapter students proved that effort and a smile are the best assets.

SADD, Students Against Destructive Decisions, is a group of dedicated students who believe in living safe, healthy lifestyles. SADD is responsible for the bi-annual Red Cross blood drives, bringing drug awareness to the school, and the mock crash that happens every other year during prom season. Students involved in SADD are committed to making healthy decisions that will positively impact the rest of their lives. We would like to thank Mrs. Amaral for her dedication to SADD and everything she has done for us.

The Gay-Straight Alliance is a welcoming environment for people who associate with the queer community. Our club is a place for youth to make stronger friendships with people they might already know from school. We educate the school and community on pressing issues within the LGBT community. We would like to thank Ms. Siegal for being so accommodating and allowing us to meet in her room after school.

The Sci Fi/ Fantasy Club started years ago as just three people having fun together. Over time it's become much more. Between old friends and new, we always find a way to have fun with our mutual interest in Sci Fi, and beyond that it gives many of us comfort in having others with the same interest. We spend our time together watching movies and playing card games, table top games, even Dungeons and Dragons. With outgoing President Matthew and co-Vice Presidents Bryan & Tyler we kept this tradition alive. We would all like to thank Mr. Jewell for helping start this club and his long years of service and Mrs. Wissler, our kind and understanding adviser who allowed us to keep running our club on a regular basis. We couldn't have done this without them and even though Mr. Jewell had to move on we won't forget his help or overlook the wonderful aid of Mrs. Wissler. New members are always welcome!

The Anime Club is a group of students who share a mutual interest in Japanese animation, also known as "anime." In this club, we do not only watch shows in this category, but we do other activities related to it. This club helps prepare the members for a convention that occurs in the spring called Anime Boston. On occasion, the president and vice president bring in cultural food. The club adviser is Mrs. Akerman, who helps organize, control, and contribute to the overall club experience.

Every fall, the Yearbook Committee begins the daunting task of collecting photos, designing pages, and producing a memorable product for all of NHS to cherish; this year was no exception! We decided on the "Keep Calm and Carry On" theme because of the hectic start to this school year since we were plagued with jumbled classrooms, internet issues, and inconvenient construction. The Yearbook staff spent many fun, long hours and late nights making this final product. Our advisors Ms. Imm and Mrs. Donovan did a extraordinary job to help make this yearbook as amazing as it is. This is the first full-color yearbook NHS has seen commemorating the first school year in the brand new building. As the years go on, we hope that this yearbook helps you remember the 2013/2014 school year as fondly as we will. Enjoy!

This year's Drama Club was fortunate enough to have the very first performance in the new auditorium! The senior class play, two one-act productions entitled "Screenagers" and "Avoiding the Pitfalls of High School Dating," was a great success due to the active involvement of the senior class. This diverse cast spent many hours rehearsing in order to perfectly embody the humor in both plays and succeeded immensely in doing so. Mrs. Rockne took on the role of Director after many years as the Drama Club's choreographer and is also directing this year's main production, "Little Women."

Mu Alpha Theta is Norton's honor society devoted to mathematics. Throughout the entire school year, they organized various events to promote and stimulate excitement in mathematics. They hold an annual Pi Day event on March 14, where students will look for math questions to answer in hopes of getting a piece of pie. They also organize the Amazing Mathematics Race, where students compete to finish a series of math problems to obtain a prize. In addition, members tutor students at the Middle School and also at the High School. The society is led by their advisor, Mrs. Taylor, who does a great job of showing NHS that math is fun! In order to be eligible for Mu Alpha Theta, students must have a 4.0 overall weighted GPA, 4.83 weighted Math GPA, and are currently in their 3rd year of high school math.

The Science Honor Society, in its fifth year, continues promoting academic excellence within the various scientific fields throughout Norton High School and its surrounding community. Member students display academic excellence, maintaining a 3.0 overall GPA and a minimum B+ grade in any science courses in which they are enrolled. Our members, a mix of juniors and seniors in AP and Honors science courses, assist with tutoring efforts within the high school and elementary schools of the district. This year, the society expanded and began working to help in the planning of the Tri-Town STEM exposition held at Wheaton College. While learning about new and interesting scientific developments, each member of the society does an outstanding job of increasing scientific drive and understanding within the community.

Membership in the National Art Honor Society is based off of community service, membership and character. The Foxboro Patriots Place art show features work from AP Art, Art 4, Art 3, and a few stellar pieces from Art 2. Norton High School's annual art show exhibits art work from every student enrolled in an art class. Throughout the school year, members complete over 25 hours of community service, and raise funds for senior scholarships. We paint windows at the local library's children's section featuring children's book covers. We also create an art show at the Epoch Senior Center at Roche Brothers Plaza in Norton.

The Modern Music Masters [Tri-M] Honor Society prospered and accomplished many things this year! At the beginning of the year, they held a recital for the new inductees to exhibit their musical talents. During the month of December, they held their annual Candy Cane Gram fundraiser and had so much fun delivering the candy canes while caroling! In February, the members of Tri-M threw a Valentine's Day party for the music department which was full of love and laughter. In March, Tri-M held a St. Patrick's Day themed fundraiser in honor of the spirit of Irish Music. This year, on their mission to cultivate musical excellence in the world, Tri-M thrived!

Norton High School's Jean G. Findlater's chapter of the National Honor Society consists of diversely dedicated academics who are all able to contribute great things not only to the school community, but the local community. This past year, National members spread appreciation and joy overseas by writing holiday cards to soldiers. Also, the annual "Senior-Senior Prom" hosted by the National Honor Society helped bring smiles to many people, both old and young alike. As spring approached, members participated in our "Bike-a-Thon" to raise pledge money and spend a cheerful afternoon with peers. Overall, our society, along with our advisor, Mrs. Young, has worked hard to uphold and promote joy and scholarship at NHS!

In its fifth year of organization, the English Honor Society has dedicated all its efforts to promote the love of writing and literature at Norton High School. The group of students that make up the society share the similar obsession of writing, as presented through their essay that was submitted for admission to the society, along with the required GPA. Our successful tutoring has helped members connect with other students struggling or wishing to improve their own Language Arts skills. The "Read across America" and Movie Night featuring Mulan are a few of the events that the society held this past year. A special thank you from all the members to the talented and dedicated Mrs. Akerman for taking the challenge of advising this rambunctious group of book nerds.

La Société Honoraire de Français is committed to cultivating a passion for the French language in its students, school, and community. Members are students who have completed French IV or V with a B+ or higher. The annual Semi-Formal, organized in conjunction with the Spanish Honor Society, was a great success. This year, the society had the pleasure of learning French Impressionism painting and then teaching it to residents of the Epoch Center. They also sang French Christmas Carols to these residents in December and our annual Mardi Gras celebration was actually held on Mardi Gras! La Société's members epitomize the exuberant joie de vivre of French culture and the scholastic excellence of NHS.

La Sociedad Honoraria de Español is a group of students who are passionate about the education and dissemination of Spanish language and culture. The society is led by Ms. Godfrey, who is extremely dedicated to the society, and the society's officers. The society is composed of juniors and seniors who maintain a B average in current and previous Spanish classes. The Spanish Honor Society, in conjunction with the French Honor Society, sponsors the annual Semi-Formal Dance and Christmas caroling at the Epoch Center of Norton. Individually, the Spanish Honor Society hosts parties celebrating major holidays in Hispanic culture, as well as field trips to art museums. These events are held in hopes of inspiring society members to continue their education in Spanish language and the culture that surrounds it.

The newly formed honor society, Rho Kappa, debuted this past year. Now recognized as a national society, our main focus is to spread awareness of history throughout the high school. Throughout the year, announcements have been made to remember important historical events like Memorial Day, Veteran's Day and the 50th anniversary of the JFK assassination. To celebrate MLK's legacy, his "I Have a Dream" Speech was played during all lunches for the students. Our 3rd grade tours in April for the JCS and LGN elementary schools honor the rich history of Norton, showing the children that history is found everywhere in the world, even in their own town! This society has grown in the past few years with the help of passionate students, teachers, and a community looking to keep history relevant to everyone's lives. Hats off to Mr. Paulus for his dedication to the society and we wish him well as a father!

The Norton Lancer football team fought their way to an 8 win, 3 loss season that would've been impossible without an epic senior class led by captains, Mike Travers, Mike Ready, Tony Giglio and Brad Wry. This year's Lancer football team was blessed with many great players. Many of those players were awarded for their consistent on the field performance by receiving a spot on the TVL all star team. On the offensive side of the ball, Mike Ready, Brad Wry, Matt Hines, Tony Giglio, and George Reese were all TVL all stars. On the defensive side of the ball Mike Travers, Brad Wry and Mike Ready earned TVL all stars. Other major awards received included defensive player of the year, which was awarded to Mike Travers, and TVL most valuable player awarded to Mike Ready. Ready also was awarded the coveted offensive player of the year. Behind every great team is a hardworking and dedicated coaching staff which for the Lancers was led by Norton High's very own Ted Currle. Coach Currle's staff included Brian Patenaude, Tim McCarthy, Bob Cabral, Tom Petersen, Chuck Moitoiza, Jesse Shaughnessy, Andy Gomes, and Chris DeSousa. The Lancer football team had three games which exemplified the season perfectly. The first one was the season opener where our Lancers battled with the Scituate Sailors until the very end. Matt Hines had an amazing night scoring all four of the Lancers' touchdowns including a game winning, acrobatic, sideline catch of a touchdown pass thrown by Mike Ready to put the Lancers ahead by one point with about a minute and thirty seconds left in the game. The Lancers ended up winning their first game 28-27 in thrilling fashion. The second game that beautifully characterized the Lancer team came in the final regular season game where the Lancers faced off with TVL rival, Millis. This game was very important to the team due to a devastating early season loss in the previous season to the Millis Mohawks. Behind a great week of practice and truly excellent pregame preparation by the coaching staff, the Lancers were firing on all cylinders from the start of the game to the final tick of the clock. The result was a 29-6 victory over the formidable Millis Mohawks to clinch the TVL Small title for the Lancers. The last game of the season was played against Norton's Thanksgiving rival, the Bellingham Blackhawks. Meeting for the second time of the season, Bellingham came out hard in the first quarter, but the will of Norton's seniors proved to be too much for both Bellingham's offense and defense. Matt Hines received offensive player of the game, Mike Travers received defensive player of the game, and Brad Wry was awarded most valuable player on the Norton side of the ball. The overall message of the season was "Hard work pays off. The senior class took the younger guys under their wing and continuously got better. The team won the TVL Small title because of the 12 months of hard work and dedication they gave Norton football." –Coach Currle

The sport of soccer can without a doubt be one of the most intense games and requires many diverse skills in order to succeed. With the team giving everything they can for 90 minutes, there is no question about it that they strive for success relentlessly. In the 2013 Norton High School Soccer Season, the girls never failed to impress and always played their hearts out. One of the most important things is to never give up, both on and off the field, and that's one thing they were best at. The team was led by two amazing captains, Junior Kassidy Campbell and Senior Kaitlin Murrin. The senior class consisting of 12 players, the most Norton has ever had, also did an outstanding job leading the team (Kaitlin Murrin, Lauren MacGray, Ashley Cibotti, Krista Woodworth, Kathy Remick, Jenn Kilburn, Alison Dufault, Kaleigh Schleicher, Kelsey Sousa, Micayla Valeri, and Courtney Shively). Goalie Jenn Kilburn, midfielder Kaitlin Murrin, and forward Ashley Cibotti made it onto the Sun Chronicle All Star Team giving Norton a very positive reputation. By the middle of the season the team was 4-3-2 holding 10 points. They kept up their successful streak ending with a total of 21 points towards the tournament. Both Coach Clark and Coach Green were very proud of their team full of players who consistently demonstrated their distinct talents.

BOYS SOCCER

This past fall, the Norton boys varsity soccer team had one of the best seasons Norton has ever had. Finishing with a final record of 13-3-4, they took the TVL by surprise. They began with the strongest start Norton has ever had, jumping out to an early11-0-3 record. 14 games is the longest undefeated streak in school history. Norton was led by a strong senior group including Captain Wayne Belcher, Joe Maia, Josh Stern, Cody Shannon, Noah Lach, Matt Erickson, Kevin O'Leary, and Evan Winfield. These seniors carried Norton to third place in the TVL, and into the second round of the playoffs. Matt Bukowski led the league in goals with a school record of 17. TVL All-stars included Matt Bukowski, Wayne Belcher, Matt Erikson, and Joe Maia (rated best goalie in TVL and Team MVP). Sun Chronicle All-stars were Matt Bukowski, Wayne Belcher, Joe Maia, Matt Erickson, and Jon Lach. Taunton Gazette All-stars were Matt Bukowski, Wayne Belcher, Joe Maia, and Matt Erickson. Bukowski was also the runner up for TVL MVP, a Boston Globe All-star, the Taunton Gazette Player of the Year, an Eastern Mass All-star, and a selection to the All -State team. The Lancers won the sportsmanship award for the league and the state. Coach Eric Greene, who won coach of the year, Nick Gale, and Steve Hughes had a successful year coaching this very talented group of players.

VOLLEYBALL

The volleyball program has come a long way in the past four years thanks in part to the dedication of the athletes and coaches. They have set goals for themselves and worked tirelessly to achieve those goals. The 2013 Lancer Volleyball team began the season looking for a repeat appearance in the MIAA state tournament, but fell just one game short. They finished the season with a record of 8-10, boasting strong victories over some tough competition and hard fought battles against some of the best teams in the state. The varsity squad was led by senior captains Abby Anderson, Jackie Dunne, Sam Olson and Meg Pestana who offered strong leadership on and off the court. Jackie Dunne was honored as a Tri-Valley league All-Star, while Abby Anderson and Mackenzie Whalen earned honorable mention.

It was been a season of firsts for the boys and girls cross country teams. The boys, led by senior captains Billy Sullivan and Max Marcotte, were the TVL Champions for the first time in school history and had a TVL record of 9-0. It was the first time that the Norton boys team had beaten the Medfield and Hopkinton teams in regular season meets. The most exciting achievement of the season was the boys team making it all the way to the All-State meet, with the "Fierce Five" (Billy Sullivan, Max Marcotte, Mike Tierney, Eric Sanford, and Chris Wrenn) leading the way. Billy Sullivan was named a TVL All-Star and Mike Tierney and Chris Wrenn were named 2nd Team TVL All-Stars. The girls team, led by senior captain Corina Jurczyck and junior captain Marissa Eisnor, also had their best season in school history with a 5-4 TVL record. The team sent 2nd Team TVL All-Star Anya DiLorenzo to the All-State meet. It was the first time in 12 years that the Norton girls team had a runner make it to the All-Star meet. The girls also beat Westwood for the first time in TVL history. Both teams were runners-up for the league Sportsmanship Award, and Coach Kent Taylor was the TVL Coach of the Year. Overall, 2013 was the year of Norton for cross country in the TVL.

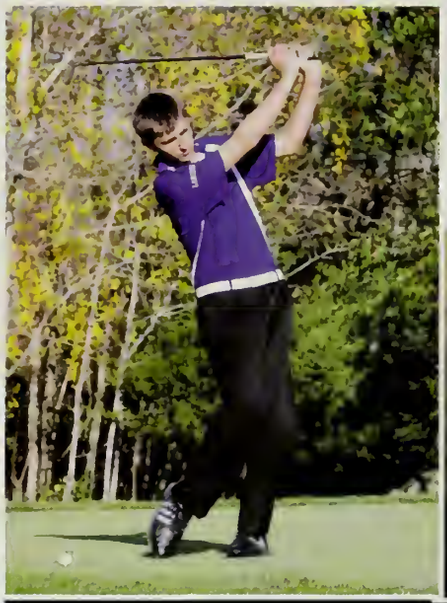
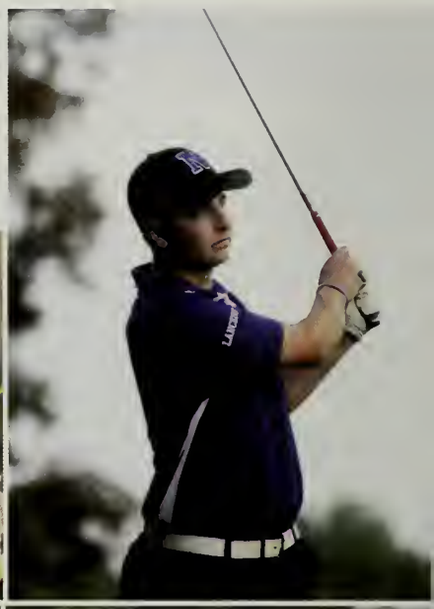
GOLF





The Norton Golf team had a successful year, playing all of their home matches at the TPC Boston. Coach Ryan Riley and senior captain Nick Mattos led the team through the season with focus and determination. The team finished the season with a record of 8-11, winning two card offs when they had to go to the 7th score. Cody Sweeney was named a TVL Honorable Mention All-Star, as well as a Sun Chronicle and Taunton Gazette All-Star. The team will return 7 starters next year and is excited to be led by captains Johnmichael Lee, Andrew Veglas and Cody Sweeney.

Senior captain, Shelby Damarell, led the team by teaching the new members all of our cheers and dances. Unable to compete this year, the team continued their training by going to tumbling classes and holding practices each week. Our coach Stephanie Ross, who was new this year, choreographed a routine to perform at half-times and even for the Norton Pop Warner cheerleaders and football players. Although the year started rough with a search for a coach and with our uniforms lost, the season ended strong as we cheered our football players all the way to becoming TVL Champs.

This was a transition season for the Lady Lancers, with the young team featuring only two seniors. However, under the leadership of the two senior captains, Meg Pestana and Sam Lang, the underclassmen girls adjusted very well to the high school level of playing. Meg and Sam could always be heard on the court cheering on their teammates and picking each other up. They did a great job making sure every girl kept their heads up no matter what happened the play before. Coaches Dan Langmead and John Noel had high hopes for their young team for the 2013-2014 season. While their final record of 0-16 wasn't what anyone had wanted or expected, the season was still a success in terms of the girls' effort, improvement, and determination. No matter what the score, this team always kept their spirits up and fought hard to the end.

The Lancers had a great, memorable 2013-2014 season filled with both excitement and success. A hard-working tradition that has been at Norton for years paid off. Captains James Loring and Paul Schleicher showed outstanding leadership and poise that resulted in attaining many goals set at the beginning of the season. Also, key seniors and juniors gave the team a lot of depth and minutes in every game. The boys made the state tournament for the 7th year in a row, qualifying with a 10-10 record. Within the season there were many close games and great wins. A notable win was against D2 Westwood in a very close game. Also, the boys beat 19-0 Ashland to clinch a playoff birth in the last game of the season. Working as a cohesive unit, and working hard day in and day out in practice, built character and chemistry amongst the team. It was a great year, and we will hope for the same next year.

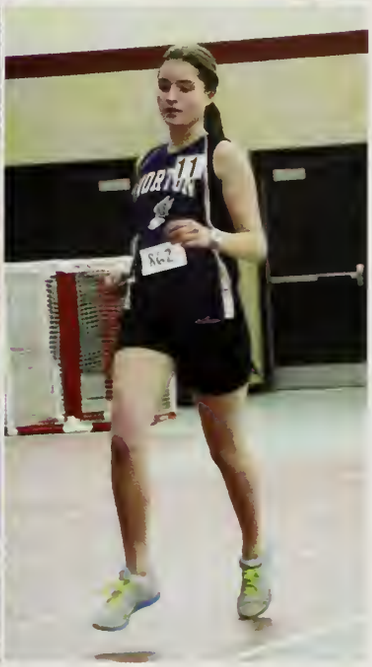
Overall, it was a great season for all the athletes on the team.



The boys winter track team had its best season by winning their first ever Tri-Valley League Championship. The 2013-2014 winter track team was led by Coach Taylor who won Tri-Valley League Coach of the Year and its senior captains Kevin O'Leary, Billy Sullivan, Max Marcotte, and Brandon Durocher. The boys winter track team placed second at the TVLs. Billy Sullivan broke the school record in the one mile by running a 4:32.65. The 4x800 relay team of Max Marcotte, Billy Sullivan, Mike Tierney, and Chris Wrenn placed fifth at the Division 4 State Championship Meet. Two students were named to the first team TVL All-Stars: Mike Tierney and Kevin O'Leary. Five students were names to the second team TVL All-Stars: Max Marcotte, Billy Sullivan, Justin Ireland, Cam Stalters, and Brandon Durocher. Overall, the boys track team made history, and look to continue their dominance next year.

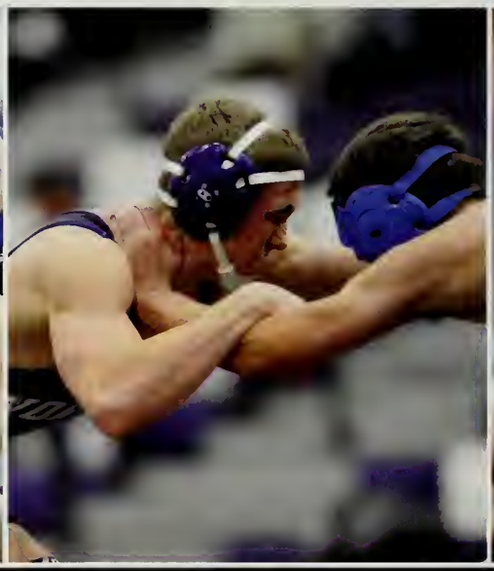
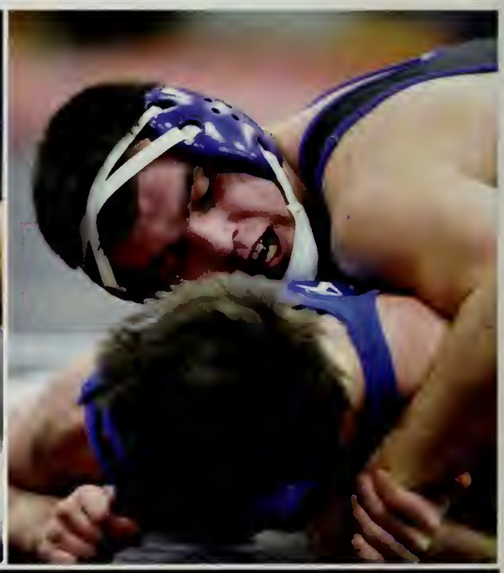
WRESTLING





The Norton High School wrestling team enjoyed its best season ever this year, going 30-1 (school record) and undefeated at home (12-0). The Lancers regained the TVL championship (our 5th), won the Peckham Invitational Tournament (also our 5th), won sectionals for the 3rd year in a row, and took home our second D-3 state championship in three years winning both the Coaches Association State Dual Meet tournament as well as the MIAA State Individual Tournament ahead of 56 teams! Much credit for this team's success goes to coaches Jeff Francis, Rob May, Chris McCarthy, Ron Dunn and Brett Pike for their outstanding contributions and to senior captains JT Taylor, Myles McAlpine and Mike Travers for their steady leadership, hard work and fine example. JT set a school record with 37 pins this season, en route to winning his second sectional championship. He was voted the tournament's Outstanding Wrestler and went on to place 3rd at States (as did junior Alek Donovan). Myles had the most wins this season (42), was sectional champion, 4th at States and 7th at All-States. Mike finished his career with over 108 wins (5th all-time), was sectional champ, State Champ (Norton's 3rd) and placed 6th at All-States. Joining these three captains as sectional champion was junior Elliott Johnson. What makes us most proud of this team is its character and its dedication not only to the sport of wrestling, but to scholarship and sportsmanship. 21 of 34 Norton High wrestlers made honor roll this winter and the team was voted winner of the state sportsmanship award by the Massachusetts Wrestling Officials Association. The outstanding performance of these young men both on and off the mat earned Coach Coleman "Coach of the Year" awards at both the sectional and state tournaments.

The Norton High Varsity Hockey Team burst onto the hockey scene during the 2013-2014 season. Under the leadership of Coach Kyle Heagney, captain Connor Russell, and alternate captain Nate Barrette, the team amassed an impressive 5-14-1 record during their debut season. The first victory in the program's history came on December 30, 2013 when the Lancers destroyed O'Bryant High School by a margin of 11-1. Patrick Robles scored 4 times while goalie Triton DosReis kept the opposition scoreless through two periods. The team ended the year strong, culminating with a 3-game winning streak in the final month of the season. Leading scorers for the team were Patrick Robles (20 points), Bobby Trudeau (16 points), and Connor Russell (15 points). With a strong crop of underclassmen and incoming eight graders ready to step up next year, the future of the Norton High School hockey program looks bright!

When you were first born I would hold onto you tight
With all of your crying I was up most of the night
Learning to walk I would always be near
If you were to fall I would kiss you so dear
Then off to school with your little back pack in tow
I remember thinking "why did she have to grow?"
Then you got your license and drove away
While I'm praying for a safe return everyday
As the days went by one by one
I am so proud of the young woman you have become
I couldn't love you anymore than I do
What would I have done if I never had you?
I feel like it has all happened in a blink of an eye
How did 18 years already go by?
Now off to college you shall be
But in my heart you're always home with me!

With All My Love,

As you journey through life, chose your destination wisely, but don't hurry there. You will arrive soon enough. Wander the back roads, the forgotten paths, the unknown ways, as you keep your dreams in your heart as the light that guides you. Seek out new voices, strange sights, and bold ideas. Such things are riches for the soul. And if, upon arrival, you find that your destination is not exactly what you dreamed it would be, don't be disappointed. Think of all you would have missed if not for the journey there and know that the true worth of your travels lies not just in where you've come to be, but in who you became along the way.

We're already so proud of who you've become in the first 18 years of your journey.

Please stand for the Pledge of Allegiance...
just kidding, sit down.

We're supposed to be writing this down?

Do we have to do both sides [of this test] or is this a "pick a side" thing?

Sorry, I was distracted by a
deep conversation.

Yes, this is a big grade.
You should really try on
this one.

"To the senior girls soccer players, best of luck in all you do in the future!! Remember You will always be part of our team. You can do anything in life. 'What the mind believes the body achieves.'"

Coach Clark

"Be Bold and Mighty forces will come to your aid. Never stop learning. Everything is not awesome, but you can all invent. Remember you have a better idea inside of you than a double decker couch, so go find it. Your success will be measured by how you treat others, especially those who told you your inventions, ideas, thoughts were no good. Be Bold enough to be kind to even the most negative people and Mighty forces will always come to your aid.
Congratulations Class of 2014!"

Go change the world!"
